

FAQ

How do I find out the name, age, and looks of my spirits?

Most practitioners will enclose a brief description of the spirit if it is applicable to the type of entity. If they do not and you want to see what your spirit looked like when they were alive the best thing to do is to ask the spirit to manifest to you in a thought, dream, or vision. If you prefer to work with tools you can use your pendulum or cards for answers. However, we strongly recommend you ask the spirit to manifest to you.
